Case No.09-50026

Marianne Lisenko et al

v.

General Motors Corporation et al

**MOTION FOR SERVICE AND PUBLICATION TO ALL PARTIES
WITH INTEREST IN GM CH.11 CASE.
AFFIDAVIT**

I, Marianne Lisenko, hereby come to this court with a request for service by noticing agent, the Garden City Group, of my **Motion for Clarifications** and my **Motion for Final Judgment and Approval of Writ of Execution Against the General Motors Corporation and/or its affiliated companies and officers** - to all interested parties and claimants.

This motion is justified by the fact that it is impossible for me to serve all the listed parties, financially or physically. I do not have legal counsel and my access to postal and other communications is often impaired.

The denial of this motion would be seen as a serious miscarriage of justice and a denial of the free dissemination of information of an important public nature, national and international.

I declare under oath and penalties of perjury and at the risk of losing my health, my mind, my body and my SOUL to the powers of death and destruction, should I deceive, that all the above-stated is true and written in good faith.

And I have signed in Washington, D.C on November 4th, 2011
